MEMORANDUM FOR: Director of Finance

VIA : Chief, Career Management Group, DDO
Director of Personnel

SUBJECT : Declaration of Exigency of Public Business -

25X1A2d2

25X1A REFERENCES : [REDACTED], dated 22 January 1975 (as revised)
[REDACTED], dated 5 February 1975

1. It is requested that the activities of the [REDACTED] Project be considered an exigency of the public business beginning 1 September 1975 for an indefinite duration. 25X1A2d2

25X1A2d2 2. In view of the operational importance and urgent mission of the [REDACTED] Project it has been necessary to assign, on short notice, supporting personnel to handle urgent requirements of the Project both at Headquarters and at several [REDACTED] Stations. Because of the long hours of work and the sudden engagement of operational activities expected of Project personnel, many have had no reasonable opportunity to take leave during the last four months of the 1975 leave year. In recognition of their dedication to duty and to preserve the leave privilege of the personnel involved, it seems appropriate to approve the activities of the [REDACTED] Project as an exigency of the public business. This would enable an employee, who is supporting the [REDACTED] Project, and meets the guidelines contained in HN [REDACTED] to be considered for restoration of forfeited annual leave. 25X1A2d2 25X1A
